Dear Maria,

We are deeply grateful for your generous gift of \$119.06 to Helen Keller Intl.

Your contribution helps ensure that children and adults coping with tremendous challenges to their health and well-being can receive the practical support they need to protect vision, improve nutrition — and realize their own potential. Your gift at this critical time also provides vital healthcare, livelihoods support, and other resources to help underserved communities withstand the effects of climate change and armed conflicts — and build resilience against future crises.

Once again, thank you for your caring support.

Sincerely,  
Helen Keller Intl

P.S. Your gift could go twice as far! You can check [HelenKellerIntl.org/matching-gifts](https://HelenKellerIntl.org/matching-gifts) to see if your employer will match your gift.
