Dear Mrs. Gembarzewska-Truong,

Thank you so very much for your generous gift of \$413.17 to Helen Keller Intl in honor of Polish donors who donated through wiecejdobra.pl, which we received on March 7, 2024. We are deeply grateful for your ongoing support.

As the impacts of armed conflicts and extreme weather events continue threatening food supplies and access to healthcare in underserved communities, your timely contribution helps deliver vital support to families who struggle to find the care they deserve even in the best of times. Your gift helps provide screenings and treatment for diseases that blind and disable, vitamin A supplements that protect children's eyesight and health, farming skills and tools that help families sustain their food supplies and livelihoods, and much more.

On behalf of all of us at Helen Keller Intl, and especially the families we serve, thank you for your committed and caring support.

With gratitude and warm regards,

A handwritten signature in black ink that reads 'Susan Kotcher'.
