

Dear Daniel,

Thank you for your donation of £555.78. Your donations are crucial for fuelling our fight to end the abuse of animals raised for food. Your donations are crucial for fuelling our fight to end the abuse of animals raised for food.

Monumental changes are happening and every day we move closer to a better future for animals.

Our vision of a better world for animals connects each one of us in The Humane League UK community. You and me. Staff, supporters, volunteers, trustees, donors.

Will you take a moment to watch this video about our vision for animals? I hope it inspires you as much as it inspires me.

Thanks again for your support, we couldn't do it without you.

Always, for the animals,

Klara Schmidt
